

Mouth Watering Men (Paperback)

By Michelle Tallia

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Over 300 webpages and several medical journals were analyzed to verify the information in this book. Hello, this book is all about making hot men taste better, and women enjoy themselves more. Perhaps you'd be interested to know: Semen also consists of proteins that have anti-microbial properties against viruses, bacteria and fungi. Present in male semen are mood-enhancing compounds such as estrone, oxytocin, cortisol, a particular thyrotropin-releasing hormone, melatonin, prolactin and serotonin. Psychologist and reproductive expert Gordon Gallup from the University at Albany-SUNY postulates that swallowing male ejaculate can be a cure for morning sickness. He explains why. Multiple studies imply that bull semen can benefit damaged hair. In a study conducted by researchers from the University of Saskatchewan, a protein in semen was found to act on the female brain to induce ovulation, and that protein is the same molecule that controls the growth and maintenance of neurons. In a Dutch study of women who swallowed semen (from oral sex,) researchers discovered that their swallowing of the semen was associated with a lower risk of getting Preeclampsia. (Preeclampsia is a pregnancy complication associated...
